on the system, and has no disagreeable, injurious or irritating effects. It is a fruit remedy that nourishes, fortifies and refreshes. The strengthening and tonic properties of grapes are well-known; when crushed and blended with nature's health-giving herbs their digestive and restorative qualities are incomparably effective in generating

blood, increasing flesh and building up the weakened condition of the stomach, liver and kidneys of men, women and children. It reconstructs the worn-out tissues of the nervous system and drives away that tired, languid and ambitionless feeling caused by impoverished blood.

It is generally estimated that during the first half hour of the storm that passed over this city Saturday afternoon more water fell than during any like period during the last twenty-five years. THE HYGIENE OF OLD AGE.

We look upon the aged with good reason as having a slender hold upon life, one that may be loosened by a slight shock of injury or disease which, in the young or middle-aged, would serve only as a stimulus to the reparative vital powers. This is a conservative belief, but it warns us to shield our loved ones, who have fought the fight, from all influences which might shorten their stay with us. But we must not go too far in our solicitude, for injury may be inflicted and life shortened by coddling the old, almost as surely by coddling the young. The vital processes in the aged are slow, but they are still existent, and they may be kept active by gentle opposition and stimulation, just as they may be increased in childhood and youth by rough methods. Dr. Caldwell's Syrup Pepsin and Herb Laxative Compound is a boon to the aged and infirm and probably no medicine has accomplished so much, or received as high or as many endorsements from men and women whose extreme age gives them a seemingly slender hold upon life. Dr. Caldwell's Syrup Pepsin makes perfect digestion and acts gently upon the bowels in an easy and pleasant manner. Tones up the entire system and prolongs life. 50c and \$1 bottles. At Leroy Farmer's drug store.
